From Lecturer PGK Bruce Utter. Worthy Grand Knight and Brother Knights. Good evening. I spent this week at Sparrow hospital preparing for a surgical procedure on Thursday that will hopefully help my heart to function better. I hope you had a good month and are ready as we head into fall, a season of spectacular outdoor colors and for many of us football, football, football, high school, college and pro. Have you ever thought about how many hours we spend on sports? And there is nothing wrong with that as long as we spend as much or more time making sure we are taking good care of ourselves, our family and our friends.
